The meeting referred to in this file is not of this type. If these rates of travelling allowance are allowed, the resident members of the Legislative Council who have attended the meeting may also claim Daily allowance for the day. These rates are therefore not suitable. It was only an informal meeting that was held and as per precedent of the Round Table Conference meeting, travelling allowance would not be admissible. If it is considered absolutely necessary to give any travelling allowance, it may be at the rates admissible in list 'B' of Appendix "M" of Mysore Service Regulations, which applies to all general bodies. These rates are one first and one third class railway fare, road mileage at four annas and daily allowance at Rs.5/-.

I am not sure that it would be right to give travelling allowance only to those who claim it and not give it to others. If it is decided to give it all the members will have to be given, I think
